INTERESTED IN SHOWCASING AT THE LARGEST FAMILY CHILD CARE CONFERENCE IN THE UNITED STATES?

Please join us along with hundreds of family child care providers, advocates, trainers, mentors, and leaders at our 29th National Family Child Care Conference in Orlando, Florida from June 19th-22nd. Each year, an average of 46 states are represented at the conference. NAFCC anticipates 800 to 1,000 participants at the 2019 conference.

Family child care providers are predominantly women and are small business owners with the purchasing power for their child care program. The providers who attend our conference are focused on creating the ultimate child care environment, concentrating on safety and child development while in their homes. Attendees are looking for training and networking experiences, as well as new products and services to support their work and business practices.

In addition to providers, hundreds of mentors and advocates from local, state, and federal agencies who work with family child care providers also attend the national conference. These individuals influence thousands of family child care businesses when they return to their cities across the nation.
