

MAY 8, 2020 IS PROVIDER APPRECIATION DAY

NAFCC encourages families to honor their family child care providers for Provider Appreciation Day, especially this year as they work tirelessly to support children and families during the COVID-19 pandemic. Some ways you can honor your provider include:

- Bring them their favorite treat
- Bring a small gift
- Giving them a day off
- Pay their registration for a professional development experience
- Say thank you
